

ExCom Minutes
November 3, 2007

The current ExCom held its final regular (scheduled) meeting today, November 3, 2007 at 10 AM. Although it had been scheduled for the Bartlett Public Library, the room was already in use and we moved to McCallister's Deli at Kirby & Stage. The only item of business was to appoint and confirm Ed, Rich, and Michael as the Election Committee chair and members, respectively. I did not receive any suggested changes to election rules and procedures, so that appointment was the only business handled.

We did also discuss the plan to support the nomination and election process on our web site, in addition to the newsletter. I think we should provide a complete set of rules and procedures for both nomination and election from the Election Committee, a downloadable ballot, and pictures and campaign statements from all the declared (nominated) candidates.
